

Parent Survey Results - Autumn Term 2025

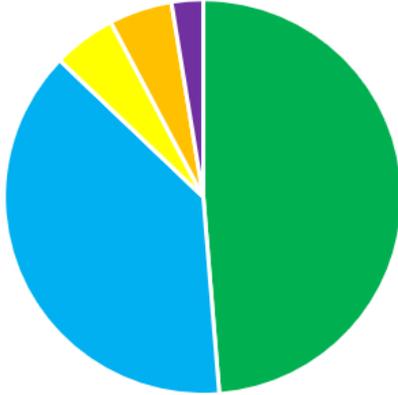

Our latest parent survey was carried out in the second half of the 2025 Autumn term. It was lovely to see such a positive response from our parents and carers. Whilst these responses give us at St. Mary's much to celebrate, we will also use them to further improve our school. Thank you to those that took part.

- Really grateful for the support our son is receiving this year from Miss Watts and the year 2 team.
- This school has made my child feel comfortable and happy when attending. The teachers go above and beyond when it comes to education.
- I'm so pleased we have picked this school for our two girls to be educated in.
- Staff are always so welcoming and friendly. The whole school has a warm and friendly atmosphere and there is a real sense of community.
- A wonderful school with hardworking, caring staff. Thank you for all you do.
- This has been my daughters best year and she is really enjoying it and I think her teacher Miss Seaman is doing amazing.
- Our daughter loves coming to school and is very happy here.
- Our experience with our youngest starting reception has been exceptional. The support from both teachers is incredibly professional yet still personal.

Areas that parents have said could be better . . .

- Improving communication between school and parents
- Managing behaviour of a small group of children
- Clearer homework expectations and maybe some online
- Clubs more targeted to younger pupils
