Our retention schedule sets out how long we keep information. This can be requested via the school office.

National Pupil Database

We are required to provide information to the DfE as part of statutory data collections such as the school census and, in turn, this will be available for the use of the Local Authority (LA).

Some of this information is then stored in <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information> (NPD), which is owned and managed by the DfE and provides evidence on school performance to inform research. The DfE may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage <https://www.gov.uk/guidance/data-protection-how-we-collect-and-share-research-data>.

You can also contact the DfE: <https://www.gov.uk/contact-dfe> with any further questions about the NPD.

Parents and pupils' rights regarding personal data

Individuals have a right to make a 'subject access request' to gain access to personal information that the school holds about them.

School Meals

Pupil Premium and Free School Meals

Healthy school food has obvious health benefits and can help pupils establish healthy habits for life. Healthy school food can also help to improve pupils' readiness to learn.

Families who receive certain benefits may be eligible for free school meals. Your child is eligible for free school meals if you're in receipt of one of the following benefits:

- Universal Credit with an annual net earned income of no more than £7,400.
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit)
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190

Registering for free meals could also raise an extra (£1,320 for your child's primary school), to fund valuable support like extra tuition, additional teaching staff or after school activities.

This additional money is available from central government for every child whose parent is receiving one of the benefits listed above.

We ask all parents to please complete the green form enclosed and return it to the school office. We will let you know if your child is eligible for Free School Meals.

Attendance at school and legal intervention.

This is a reminder that the law requires all parents and carers to ensure that their child attends school regularly. The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment.

The school expects every child to have at least 96% attendance. We will contact parents if attendance figures falls below 95% and will issue a warning letter at 92%.

The Local Authority operates a system where any pupil will meet the criteria for legal intervention through the issue of a Fixed Penalty Notice where they have:

1. 10 consecutive sessions of unauthorised absence where some or all of the absence may be attributed to an unauthorised holiday in term-time (for absences from 1 September 2020);
or
2. 15% unauthorised absence over a period of 6 school weeks for reasons other than unauthorised term time holiday.

Any pupil at St. Mary's CP School who meets either of the criteria, will be referred to the Local Authority for action to be considered.

If a Fixed Penalty Notice is issued it is a fine of £60 per parent per child which must be paid in one payment within 21 days. If unpaid, a further invoice for £60 per parent per child is issued; both individual invoices would then have to be paid making a total payment of £120 in 28 days. You should be aware that failure to pay the total amount within the timescale will result in legal action being taken.

Leave of Absence

Head teachers can no longer authorise leave of absence for the sole purpose of a holiday (unless in exceptional circumstances). All absences associated with a holiday during term time will be marked as unauthorised. Parents wishing to apply for term time leave of absence must apply in writing to the Head teacher at **least a month** before the planned leave. Application forms for Pupil Leave of Absence are available from the school office.

Absence due to illness

If a child is unavoidably absent from school parents are expected to contact the school by telephone on the first day of absence (by 9.30am) and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, Attendance Protocols (as detailed in our Attendance Policy) will be instigated.

Medication

Please inform the school office of ANY medical condition/allergy (whether short or long term).

If your child is prescribed medication that is required three or more times a day, this can be administered by school staff. Medication must be delivered and collected from the office each day. Parents/carers will need to complete a "Parental Agreement for the school to administer medicine form" available from the office.

All medication will be stored in the office, with the exception of inhalers which will be held in the classroom to provide ease of access. Children should not carry any "over the counter" medication including cough sweets, Calpol sachets, lip balm. etc. in their bags or on their person. However, suncream (with your child's name on) can be brought into school during the sunny weather.

We expect parents to update the school office of any changes to medical conditions or needs.

Other useful information:

- School starts at 8.50am. Children enter the building via their classroom doors. Doors are opened from 8.45am, and children are expected to be in school by 8.50am. Please note that prior to 8.45am children on site must be supervised by an adult. After 8.50am the gates to the school will be locked and children arriving after this time must report to the school office.
- We do run a Breakfast Club from 7.50am and After School Club until 6pm. If your child attends these clubs, staff will be responsible for taking them to class in the morning or collecting them from class in the afternoon.
- School finishes at 3.15pm for Reception and Years 1 and 2. For years 3-6 school ends at 3.20pm. Children should be collected from their classroom doors by an authorised adult.
- If you need to pass on any information about your child it is best to do this via the school office, who will ensure all information is passed directly to class teachers as appropriate. Trying to pass on information at the classroom door can often be difficult for children and for staff at this busy time of day. If you would like to book a longer discussion please make an appointment via the school office.
